Brampton, ON L6T 5E3 Dear

Mr. Rizal,

I am writing this letter to express my heartfelt appreciation for the opportunity to work as a computer engineer during my Co-op placement at Seed NanoTech International Inc. I would like to extend my sincere gratitude to you and the entire company for providing me with this valuable experience.

Throughout my Co-op placement at Seed NanoTech, I have experienced significant personal and professional growth. From a personal standpoint, this opportunity has allowed me to further develop my problem-solving skills and enhance my ability to work effectively in a team environment. The challenging projects I worked on under your guidance have fostered my resilience and adaptability, enabling me to tackle complex tasks with confidence.

Professionally, I have gained a wealth of technical knowledge and hands-on experience in computer engineering. Working alongside seasoned professionals like yourself, I have honed my programming skills, particularly in languages like Java and Python, and familiarized myself with cutting-edge technologies in the field. These practical skills will undoubtedly propel my future career prospects and enable me to contribute effectively to the ever-evolving field of computer engineering.

The knowledge I have gained during my Co-op placement, combined with the invaluable mentorship and guidance provided by you, Dr. Rizal, have prepared me for the demands of the professional world. I am confident that the technical skills, critical thinking capabilities, and collaborative mindset I have cultivated at Seed NanoTech will greatly benefit me in my future endeavors as a computer engineer.

I am sincerely grateful for the opportunity to grow both personally and professionally under your supervision and within the dynamic environment of Seed NanoTech. Your expertise and mentorship have been invaluable, and I am excited to leverage the skills and experiences gained during my Co-op placement to make a meaningful impact in the field of computer engineering.

Thank you once again for your continued support and for contributing to my growth as a professional. I am truly grateful for the knowledge and experiences I have gained during my time at Seed NanoTech.

Sincerely,

Varun Dawrha
